**Dakota Riley** is a small-town girl who loves living on her farm. She loves everything about farm life and spends most of her time outdoors. The farm life keeps her plenty active, but Dakota also enjoys working out at the gym almost every day of the week. One of her favorite hobbies is UTV riding, well over 100 miles each trip. The day is typically finished off by a campfire. My turn-ons are respectfulness, someone who is definitely romantic, and I adore the rustic country-style man. Slow kissing on the back of my neck, caressing my body slowly, giving me his full attention while whispering in my ear, is the biggest turn-on in the world! Turn-offs are not many, outside of a rude, self-centered person! I'M EXCITED TO BE IN HUNNIE MAGAZINE!!

I'm originally from Ife Nigeria. I arrived in the US in October 2009 and bounced around from retail to nursing. I got my Nursing degree and started nursing while trying to do modeling, which I found that I loved, so I continued and have been modeling for over half a decade now. I've been in several publications including 6AM magazine, Femme Rebelle magazine, Erotic Spread magazine, Dymelife and Urban Curve magazines, and now in Hunnie magazine.
